Kurnool Municipal Corporation,

…Respondent

THE HONOURABLE SRI JUSTICE S.ANANDA REDDY

WRIT PETITION NO. 20603 OF 2007

ORDER:

This writ petition is filed aggrieved by the action of the respondent in not returning the EMD(Earnest Money Deposit) and FSD (Full Security Deposit) deducted from the bills of the petitioner.

It is stated that the petitioner had executed several civil works for the respondent municipality as a successful tenderer. However, after completion of his works, he received the payment only for the works done by him, but insofar as EMD and FS deposit deducted from the bills are concerned, they were not returned to him. Therefore, the petitioner has come up with the present writ petition seeking appropriate orders.

However, on instructions, learned standing counsel appearing for the municipal corporation stated that the Corporation is not able to secure the details with reference to which EMD and FS deposit are not returned to the petitioner. Therefore, he seeks a direction to the petitioner to furnish the above details.

Accordingly, the writ petition is disposed of directing the petitioner to furnish the details of the works with reference to which EMD and FS deposit furnished by him are not returned and on such furnishing the details, the respondent Corporation is directed to pass appropriate orders after verification, within a period of four(4) weeks from the date of submission of the representation by the petitioner. No order as to costs.
